News Release/Public Service Announcement

Cottonwood Area Transit Has a Near Record Setting Month in June, Providing 13,354 Rides and a Record Obliterating Year Providing 149,492 rides to the People in Cottonwood, Clarkdale, Verde Villages, and Sedona.

The numbers are in for June and they are looking very good for Cottonwood Area Transit. June numbers came very close to those set last October when CAT had **13,653** riders. This month was a little short of that with **13,354**. However, for the fiscal year ended June 30, CAT set all-time rider records for all services! **Lynx** set a new high mark with **63,214** riders for the year. **CAT Fixed Routes'** numbers shattered all previous highs with **7,052** riders in June and **73,598** for the year. **CAT Paratransit (ADA)** – **1,312** for the month and **12,680** are both new high marks for ridership.

We would like to thank the people of Cottonwood, Clarkdale, Verde Villages, and Sedona for putting your faith and trust in CAT/LYNX for your transportation needs. It is our goal to provide the best service we can for Cottonwood and the surrounding areas and look forward to continuing to serve you in the future. Please feel free to contact us if you have any questions or comments. You may contact the CAT office at (928) 634-2287 or by email at transit@cottonwoodaz.gov.

Cottonwood Area Transit provides ADA Paratransit and four fixed routes serving Cottonwood, Clarkdale and Verde Villages, with intercity commuter service to Sedona via Verde Lynx.
